

Zakharov Egor

Krasnogorsk, Mira 17, 143444 | +7 (985) 436-25-67 | eo.zakharov@gmail.com

Research interests

Computer vision, machine learning, image processing

Experience

Machine Learning Seminar Assistant — Faculty of Computational Mathematics and Cybernetics, Moscow State University	2015-2016
Task designer for "Introduction to Machine Learning" course at coursera.org — Higher School of Economy	2016
Data Mining Seminar Tutor — Higher School of Economy	2016
Line segmentation in handwriting documents project, part of RHSF grant — Faculty of Computational Mathematics and Cybernetics, Moscow State University	2016

Education

Moscow State University — BS on applied mathematics and information sciences Department: Mathematical Methods or Forecasting Diploma: "Text block segmentation of handwritten documents" Scientific supervisor: L. Mestetsky	2011 — 2016
Skolkovo Institute of Science and Technology — MS student on Information Science and Technology Track: Data Analysis Scientific supervisor: V. Lempitsky	2016 — 2018

Extra information

Programming languages — Python (+various libraries, including deep learning), Lua/Torch, C/C++, MATLAB
